EXPLANATORY NOTE

Pursuant to General Instruction E of Form S-8, this Registration Statement is filed to register an additional 850,000 shares of the common stock, no par value per share (“Common Stock”), of Hurco Companies, Inc. (the “Company”) reserved for issuance under the Hurco Companies, Inc. 2016 Equity Incentive Plan, as amended and restated as of March 10, 2022 (the “Plan”). Shares of the Company’s Common Stock issuable under the Plan were previously registered pursuant to a Registration Statement on Form S-8 (No. 333-210072) filed with the Securities and Exchange Commission (the “Commission”) on [March 10, 2016](#). Such Registration Statement is currently effective and the contents thereof are incorporated herein by reference except to the extent that such content is superseded by the items appearing below.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents filed by the Company with the Commission pursuant to the Securities Exchange Act of 1934, as amended (the “Exchange Act”), are incorporated by reference into this Registration Statement (other than portions of documents filed with the Commission which are furnished, but not filed, pursuant to applicable rules promulgated by the Commission) and made a part hereof:

- (a) The Company’s Annual Report on Form 10-K for the fiscal year ended October 31, 2021, filed with the Commission on [January 7, 2022](#), which incorporates by reference certain portions of the Company’s [definitive proxy statement for its 2022 annual meeting of shareholders](#);
- (b) The Company’s Quarterly Report on Form 10-Q for the quarterly period ended January 31, 2022 [filed with the Commission on March 4, 2022](#);
- (c) The Company’s Current Reports on Form 8-K filed with the Commission on [November 17, 2021](#) and [December 23, 2021](#); and
- (d) The description of the Company’s Common Stock contained in a registration statement filed pursuant to the Exchange Act, together with any amendments or reports filed for the purpose of updating such description.

All documents subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, prior to filing a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing such documents, except for the documents, or portions thereof, that are “furnished” (e.g., the portions of those documents set forth under Items 2.02 or 7.01 of Form 8-K or other information “furnished” to the Commission rather than filed with the Commission). Any statement contained in a document incorporated or deemed to be incorporated herein by reference shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement.

Item 6. Indemnification of Directors and Officers.

Chapter 37 of the Indiana Business Corporation Law (the “IBCL”) authorizes every Indiana corporation to indemnify its officers and directors under certain circumstances against liability incurred in connection with proceedings to which the officers or directors are made a party by reason of their relationship to the corporation. Officers and directors may be indemnified where they have acted in good faith, which means, in the case of official action, they reasonably believed the conduct was in the corporation’s best interests, and in all other cases, they reasonably believed the conduct was at least not opposed to the best interests of the corporation, and in the case of criminal proceedings they had reasonable cause to believe the conduct was lawful or there was no reasonable cause to believe the conduct was unlawful. Chapter 37 also requires every Indiana corporation to indemnify any of its officers or directors (unless limited by the articles of incorporation of the corporation) who were wholly successful, on the merits or otherwise, in the defense of any such proceeding against reasonable expenses incurred in connection with the proceeding. A corporation may also, under certain circumstances, pay for or reimburse the reasonable expenses incurred by an officer or director who is a party to a proceeding in advance of final disposition of the proceeding. Chapter 37 states that the indemnification provided for therein is not exclusive of any other rights to which a person may be entitled under the articles of incorporation, by-laws or resolutions of the board of directors or shareholders.

The Company’s Amended and Restated By-Laws require that the Company, to the fullest extent permitted by the IBCL, indemnify any person who is made a party to or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, by reason of the fact that he or she is or was a director, officer, employee or agent of the Company, against certain liabilities incurred by him or her in connection with such proceeding if he or she acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The Company maintains directors’ and officers’ liability insurance policies, which insure against liabilities that directors or officers may incur in such capacities. These insurance policies may be sufficiently broad to permit indemnification of the Company’s directors and officers for liabilities, including reimbursement of expenses incurred, arising under the securities laws or otherwise.

Item 9. Undertakings.

(a) The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Filing Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Hurco Companies, Inc.
One Technology Way

Ladies and Gentlemen:

We have acted as counsel to Hurco Companies, Inc., an Indiana corporation (the "Company"), in connection with the preparation and filing by the Company with the Securities and Exchange Commission (the "Commission") of a Registration Statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Act"). The Registration Statement registers the offer and sale of up to an additional 850,000 shares (the "Shares") of the Company's common stock, no par value per share, issuable pursuant to the Hurco Companies, Inc. 2016 Equity Incentive Plan, as amended and restated as of March 10, 2022 (the "Plan").

For purposes of this opinion letter, we have examined the Amended and Restated Articles of Incorporation and the Amended and Restated By-Laws of the Company, each as currently in effect, the Registration Statement, the Plan and the resolutions of the Board of Directors of the Company authorizing the issuance of the Shares. We have also examined a certificate of the Secretary of the Company dated the date hereof (the "Certificate") and originals, or copies certified or otherwise authenticated to our satisfaction, of such corporate records and other records, agreements, instruments, certificates of public officials and documents as we have deemed necessary as a basis for the opinions hereinafter expressed and have reviewed such matters of law as we have deemed relevant hereto. As to all issues of fact material to this opinion letter, we have relied on certificates, statements or representations of public officials, of officers and representatives of the Company (including the Certificate) and of others, without any independent verification thereof.

In our examination, we have assumed: (i) the legal capacity of all natural persons; (ii) the genuineness of all signatures, including electronic signatures; (iii) the authenticity of all documents submitted to us as originals; (iv) the conformity to original documents of all documents submitted to us as certified, conformed, photostatic or facsimile copies; (v) the authenticity of the originals of such latter documents; (vi) the truth, accuracy and completeness of the information, representations and warranties contained in the agreements, documents, instruments, certificates and records we have reviewed; and (vii) the absence of any undisclosed modifications to the agreements and instruments reviewed by us.

Based upon such examination and review, and subject to the foregoing and the other qualifications, assumptions and limitations set forth herein, it is our opinion that all necessary corporate action on the part of the Company has been taken to authorize the issuance and sale of the Shares to be issued in accordance with the Plan and that, when (a) the Shares have been issued and sold as contemplated in the Registration Statement and related prospectuses and in accordance with the Plan and any applicable award agreement, and (b) where applicable, the consideration for the Shares specified in the Plan and any applicable award agreement has been received by the Company, the Shares will be legally and validly issued, fully paid and nonassessable.

We are admitted to the practice of law in the State of Indiana and the foregoing opinions are limited to the laws of that state.

This opinion speaks only as of the date the Registration Statement becomes effective under the Act, and we assume no obligation to revise or supplement this opinion thereafter. This opinion is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Very truly yours,
