Annual Meeting of Shareholders

May 23, 2000

PROXY STATEMENT

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished to the holders (the "Shareholders") of common stock of Hurco Companies, Inc. ("Hurco" or the "Company") in connection with the solicitation of proxies by the Board of Directors for the 2000 Annual Meeting of Shareholders to be held at 10:00 a.m. (Indianapolis time) (11:00 a.m. EDT) on May 23, 2000 at the corporate headquarters of Hurco Companies, Inc., One Technology Way, Indianapolis, Indiana, and at any adjournments thereof. This Proxy Statement and the accompanying form of proxy are being mailed to the Shareholders on or about April 6, 2000. Proxies are being solicited principally by mail. Directors, officers and regular employees of Hurco may also solicit proxies personally by telephone, telegraph or otherwise. All expenses incident to the preparation and mailing to the Shareholders of the Notice, Proxy

Statement and form of Proxy will be paid by Hurco.

Shareholders of record as of the close of business on March 17, 2000, are entitled to notice of and vote at the Annual Meeting or any adjournments thereof. On such record date, Hurco had 5,951,859 shares of common stock outstanding and entitled to vote. Each share will be entitled to one vote with respect to each matter submitted to a vote. The presence in person or by proxy of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business.

If the enclosed form of proxy is executed and returned, it may be revoked at any time before it is voted by giving written notice to the Secretary of the Company. If a shareholder executes more than one proxy, the proxy having the latest date will revoke any earlier proxies. Shareholders who attend the Annual Meeting may revoke their proxies and vote in person.

A proxy, if returned properly executed and not subsequently revoked, will be voted in accordance with the instructions of the shareholder in the proxy. If no instructions are given, the proxy will be voted for the election of the Board of Directors' nominees named in this Proxy Statement. Directors will be elected by a plurality of the votes cast. A proxy may indicate that all or a portion of the shares represented by such proxy are not being voted with respect to a specific proposal. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain proposals in the absence of instructions from the beneficial owners. Shares that are not voted with respect to a specific proposal will be considered present for purposes of determining a quorum and voting on other proposals. Abstentions on a specific proposal will be considered as present, but not as voting in favor of such proposal. Neither the non-voting of shares nor abstentions will affect the matters to be voted on at the Annual Meeting.

ELECTION OF DIRECTORS

The Board of Directors has nominated seven persons for election as directors. Except for Mr. Robert W. Cruickshank and Mr. Michael Doar, all nominees are currently directors. Each director will serve for a term of one year, which expires at the next Annual Meeting of Shareholders of the Company when his successor has been elected. The seven nominees are: Robert W. Cruickshank, Michael Doar, Hendrik J. Hartong, Jr., Brian D. McLaughlin, Richard T. Niner, O. Curtis Noel and Charles E. Mitchell Rentschler. Unless authority is specifically withheld, the shares represented by the enclosed form of proxy will be voted in favor of these nominees.

If any of these nominees becomes unable to accept election, the persons named in the proxy will exercise their voting power in favor of such person or persons as the Board may recommend. All of the nominees have consented to being named in this Proxy Statement and to serve if elected. The Board of Directors knows of no reason why any of the nominees would be unable to accept election.

Board Meetings and Committees

During the last fiscal year, the Board of Directors held six meetings. All of the current directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which they served.

The Board has an Executive Committee, which held no meetings during the last fiscal year. The Executive Committee may exercise all of the authority of the Board of Directors with respect to the general operations of Hurco between meetings of the Board.

The Board has a Compensation Committee that held three meetings during the last fiscal year. The Compensation Committee reviews and recommends to the Board the compensation of the officers and managers of Hurco and guidelines for the general wage structure of the entire workforce. The Compensation Committee also oversees the administration of the Company's employee benefit plans. The report of the Compensation Committee regarding executive compensation is included on page 10 of this Proxy Statement.

The Board also has an Audit Committee that held three meetings during the last fiscal year. The Audit Committee has the authority to oversee the Company's accounting and financial reporting activities, and meets with the Company's independent accountants and Chief Financial Officer to review the scope, cost and results of the annual audit and to review internal accounting controls,

policies and procedures. The Board of Directors selects the independent accountants of Hurco upon the recommendation of the Audit Committee. See INDEPENDENT ACCOUNTANTS on page 18.

The Board of Directors has a Nominating Committee that held one meeting during the last fiscal year. The Nominating Committee reviews the structure and composition of the Board of Directors and considers the qualifications of and recommends all nominees for directors. The Nominating Committee will consider candidates whose names are submitted in writing by shareholders. Shareholders who wish to nominate persons for election as directors must comply with the advance notice and eligibility requirements contained in the Company's By-laws, a copy of which is available upon request. Such requests and any nominations should be addressed to the Secretary, Hurco Companies, Inc., One Technology Way, P.O. Box 68180, Indianapolis, Indiana 46268.

The members of these Committees are identified in the table on pages 2 and 3.

Compensation of Directors

Each director who is not a full-time employee of the Company received a fee of \$1,500 for each meeting of the Board of Directors attended during fiscal 1999 effective February 1, 1999 (previously \$1,000 per meeting). Each such director also received \$5,000 per fiscal quarter. Directors are also entitled to receive reimbursement for travel and other expenses incurred in attending such meetings. Mr. Niner received annual compensation of \$72,000 for his services as Chairman of the Board of Directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of the Company's common stock, to file reports of ownership with the Securities and Exchange Commission and Nasdaq. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that they were not required to file a Form 5 to report previously unreported ownership or changes in ownership, the Company believes that, during its fiscal year ending October 31, 1999, its officers, directors and greater than 10% beneficial owners complied with all filing requirements under Section 16(a).

PROPOSAL 2 - Approval of Amendment to the Company's 1997 Stock Option and Incentive Plan

On March 14, 2000, the Board of Directors of the Company adopted an amendment to the Company's 1997 Stock Option and Incentive Plan (the "Plan") and directed that the amendment be submitted to the shareholders of the Company for consideration and approval at the 2000 Annual Meeting. The amendment would increase from 500,000 to 750,000 the number of shares of common stock subject to issuance under the Plan, would increase from 100,000 to 200,000 the number of shares of common stock which may be granted to any individual participant pursuant to awards made under the Plan, and would add as eligible participants in the Plan members of the Company's Board of Directors who are not employees of the Company. The proposed amendment to the Plan will not become effective unless it is approved at the Annual Meeting by the vote of the holders of a majority of the shares of common stock represented at the meeting.

As of March 1, 2000, there were options to purchase an aggregate of 463,500 shares of common stock outstanding and unexercised that had been granted under the Plan.

The following is a summary of the principal features of the Plan. The summary is qualified in its entirety by reference to the complete text of the Plan, a copy of which (marked to show the proposed amendment) is appended to this Proxy Statement as Annex A.

Purpose

The purpose of the Plan is to promote the long-term interests of the Company and its shareholders by providing a means for attracting and retaining officers, directors and key employees of the Company and its Affiliates. The Company believes that officers, directors and key employees who own shares of common stock will have a closer identification with the Company and greater motivation to work for the Company's success by reason of their ability as shareholders to

participate in the Company's growth and earnings.

Eligible Persons

Recipients of awards under the Plan must be, or have been at the time of grant, employees of the Company. If the amendment of the Plan is approved by the shareholders, members of the Company's Board of Directors who are not employees of the Company would also be eligible for awards under the plan. There are presently approximately 300 persons who would be eligible for awards under the amended Plan.

Shares Subject to the Plan

If the amendment of the Plan is approved by the shareholders, the number of shares of common stock subject to the Plan would be increased from 500,000 to 750,000. The number of shares of common stock subject to the Plan is subject to adjustment in certain events. If the amendment to the Plan is approved by the shareholders, the number of shares of common stock, which may be granted to any individual participant pursuant to awards made under the Plan, would be increased from 100,000 to 200,000.

The number of shares covered by an award under the Plan reduces the number of shares available for future awards, however, any awards that terminate or are surrendered or forfeited without exercise or issuance will become available for further awards under the Plan.

The closing sales price of common stock on March 17, 2000, as quoted on the Nasdaq National Market was \$4.00 per share.

Administration of the Plan

The Plan is administered by the Compensation Committee of the Board of Directors. Subject to the terms of the Plan, the Compensation Committee has sole authority to determine and designate persons who are to be granted awards under the Plan and the nature and terms of the awards to be granted, including the number of shares to be subject to such awards.

Grant of Stock Options

With respect to the grant of stock options under the Plan that are intended to qualify as "incentive stock options" under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), the option price must be at least 100% (or 110% in the case of any holder of more than 10% of the voting power of the Company or any Affiliate) of the fair market value of the common stock on the date of the grant of the stock option. The aggregate fair market value (determined on the date of grant) of the shares of stock subject to "incentive stock options" that become exercisable for the first time by a grantee in any calendar year may not exceed \$100,000.

The Compensation Committee establishes the exercise price of nonqualified stock options at the time the options are granted.

The number and class of shares subject to an option will be adjusted by the Compensation Committee in the event of stock splits, stock dividends, recapitalization and certain other events involving changes in the Company's capital.

Exercise of Stock Options

No incentive stock options granted under the Plan may be exercised more than ten years, or five years in the case of any holder of more than 10% of the voting power of the Company or any Affiliate (or such shorter period as the Compensation Committee may determine), from the date it is granted. Nonqualified stock options may be exercised during such period as the Compensation Committee determines at the time of grant.

Stock options granted under the Plan become exercisable in one or more installments in the manner and at the time or times specified by the Compensation Committee at the time of grant.

Performance Shares

The Compensation Committee may grant awards of performance shares, in which case the grantee could be granted shares of the Company's common stock, subject to satisfaction of specified performance goals established by the Compensation

Committee. Performance goals may be established on one or more of the following business criteria: earnings per share; return on equity; return on assets; operating income; or market value per share. The applicable performance goals and all other terms and conditions of the award are determined in the discretion of the Compensation Committee.

After an award of performance shares has vested (that is, after the applicable performance goal or goals have been achieved), the grantee will be entitled to a payment of shares of the Company's common stock, cash or a combination thereof. However, no grantee shall receive any such payment unless the Compensation Committee has certified, by resolution or other appropriate action in writing, that the amount thereof has been accurately determined in accordance with the terms, conditions and limits of the Plan and that the performance goals and any other material terms previously established by the Compensation Committee or set forth in the Plan were, in fact, satisfied. If a grantee terminates employment prior to the end of the period of time over which the performance shares are being earned for any reason other than death, disability or retirement, all of such grantee's rights with respect to performance shares that have not yet been earned shall be forfeited. However, a grantee shall be entitled to receive any performance shares earned as of the date of termination if the specified performance goals have been attained.

As of the date of this Proxy Statement, the Company has not made any awards of performance shares.

Restricted Shares

The Compensation Committee may grant awards of restricted shares, in which case the grantee is granted shares of the Company's common stock subject to a restricted period during which, or at the expiration of which, the restricted shares vest. All terms and conditions of an award of restricted shares are determined in the discretion of the Compensation Committee, subject to the limitations of the Plan. Unless the Compensation Committee otherwise specifically provides, a grantee of restricted shares has the right to receive all dividends on the restricted shares and the right to vote the restricted shares during the restricted period. If a grantee terminates employment for any reason prior to the end of the restricted period, all of such grantee's rights with respect to the nonvested portion of the restricted shares are forfeited.

As of the date of this Proxy Statement, the Company has not made any awards of restricted shares.

Stock Appreciation Rights

The Compensation Committee may grant awards of stock appreciation rights, either in connection with the grant of a related option (affiliated or tandem stock appreciation rights), or independently of any option (freestanding stock appreciation rights). Affiliated stock appreciation rights automatically will be deemed to be exercised at the same time the related option is exercised and not necessitate a reduction in the number of shares of common stock subject to the relation option. Tandem stock appreciation rights require forfeiture of the right to purchase an equal number of shares under the related option when such stock appreciation rights are exercised (and will be canceled upon the exercise of the related option to the extent of the number of shares purchased under the option). All terms and conditions of an award of stock appreciation rights are determined in the discretion of the Compensation Committee, subject to the limitations of the Plan. Payment for stock appreciation rights may be in cash, shares of common stock, or a combination thereof, at the discretion of the Compensation Committee.

As of the date of this Proxy Statement, the Company has not made any awards of stock appreciation rights.

Miscellaneous Provisions

The Compensation Committee may accelerate the period of exercise or vesting of any incentive award, either absolutely or contingently, for such reasons as the Compensation Committee may deem appropriate.

In general, if the service of a recipient of performance shares or restricted shares is involuntarily terminated within twelve months following a change in control of the Company, a recipient of performance shares is entitled to a pro rata payment as though the recipient had retired, and a recipient of restricted shares becomes fully vested in the restricted shares and the restricted period with respect to such shares lapses. In addition, in the event of a tender offer

or exchange offer for the common stock or upon the occurrence of certain other events, all options and stock appreciation rights granted under the Plan will become exercisable in full, unless otherwise provided by the Compensation Committee.

Amendment of the Plan

The Board, or the Compensation Committee with the approval of the Board may, at any time, terminate or amend the Plan. No amendments to the Plan will require shareholder approval unless such approval is required to comply with Rule 16b-3 under the Securities Exchange Act of 1934; Section 422 of the Code or the requirements of the Nasdaq National Market.

Federal Income Tax Consequences

The following is a brief summary of the principal federal income tax consequences of awards under the Plan. The summary is based on current federal income tax laws and interpretations thereof, all of which are subject to change at any time, possibly with retroactive effect. The summary is not intended to be exhaustive.

Limitation on Amount of Deduction. The Company generally will be entitled to a tax deduction for awards under the Plan only to the extent that the participants recognize ordinary income from the award. Section 162(m) of the Code contains special rules regarding the federal income tax deductibility of compensation paid to the Company's Chief Executive Officer and to each of the other four most highly compensated executive officers of the Company. The general rule is that annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000 or it qualifies as "performance-based compensation" under Section 162(m). The Plan has been designed to permit the Compensation Committee to grant awards which qualify for deductibility under Section 162(m).

Taxation of Ordinary Income and Capital Gains. Subject to certain exceptions, the maximum federal tax rate on "net capital gains" from the sale or exchange of capital assets is 20%. "Net capital gain" is the excess of net long-term capital gain over net short-term capital loss. Short-term capital gains are taxed at the same rates applicable to ordinary income. Gains or losses from the sale or exchange of capital assets will be "long-term" if the capital asset was held for more than one year and "short-term" if the capital asset was held for one year or less. For taxpayers with certain income levels, the marginal tax rate applicable to ordinary income can range up to 39.6%. The classification of income as ordinary compensation income or capital gain is also relevant for income tax purposes for taxpayers who have capital losses and investment interest.

Nonqualified Stock Options. A participant who is granted a nonqualified option does not recognize taxable income upon the grant of the option, and the Company is not entitled to a tax deduction. The participant will recognize ordinary income upon the exercise of the option in an amount equal to the excess of the fair market value of the option shares on the exercise date over the option price. Such income will be treated as compensation to the participant subject to the applicable withholding requirements. The Company is generally entitled to a tax deduction in an amount equal to the amount taxable to the participant as ordinary income in the year the income is taxable to the participant. Any appreciation in value after the time of exercise will be taxable to the participant as capital gains and will not result in a deduction by the Company.

The participant may also be required to recognize gain or loss upon the sale of the option shares. If the selling price of the option shares exceeds the participant's basis in the shares, the participant will recognize long-term capital gain if the option shares were held for more than one year, and short-term capital gain if the shares were held for one year or less. If the selling price of the option shares is less than the participant's basis in the shares, the participant will recognize long-term or short-term capital loss depending on how long the shares were held. The participant's basis in the option shares will equal the amount of ordinary income recognized by the participant upon exercise of the option, plus any cash paid to exercise the option.

Incentive Stock Options. Incentive stock options may be granted only to participants who are employees. An employee who receives an incentive stock option does not recognize taxable income upon the grant or exercise of the option, and the Company is not entitled to a tax deduction. The difference between the option price and the fair market value of the option shares on the

date of exercise, however, will be treated as a tax preference item for purposes of determining the alternative minimum tax liability, if any, of the employee in the year of exercise. The Company will not be entitled to a deduction with respect to any item of tax preference.

An employee will recognize gain or loss upon the disposition of shares acquired from the exercise of incentive stock options. The nature of the gain or loss depends on how long the option shares were held. If the option shares are not disposed of pursuant to a "disqualifying disposition" (i.e., no disposition occurs within two years from the date the option was granted nor one year from the date of exercise), the employee will recognize long-term capital gain or capital loss depending on the selling price of the shares. If option shares are sold or disposed of as part of a disqualifying disposition, the employee must recognize ordinary income in an amount equal to the lesser of the amount of gain recognized on the sale, or the difference between the fair market value of the option shares on the date of exercise and the option price. Any additional gain will be taxable to the employee as a long-term or short-term capital gain, depending on how long the option shares were held. The Company is generally entitled to a deduction in computing its federal income taxes for the year of disposition in an amount equal to any amount taxable to the employee as ordinary income.

Performance Shares. A participant who receives performance shares will generally recognize additional compensation taxable as ordinary income and subject to withholding, and the Company will be entitled to a tax deduction, at the time payment is made, whether in the form of cash or shares of the Company's common stock. To the extent that payment is made in the form of stock, the amount taxable as compensation to the participant and deductible by the Company is measured by the then fair market value of the shares, which constitutes an addition to the participant's tax basis in such shares.

Restricted Shares. A participant who receives restricted shares will generally recognize compensation taxable as ordinary income when the restrictions lapse and the shares become vested. The amount taxable as compensation to the participant and deductible by the Company is measured by the then fair market value of the shares, which constitutes an addition to the participant's tax basis in such shares. In addition, a participant will generally recognize compensation taxable as ordinary income and the Company will be entitled to a deduction for any dividends paid on the shares during the restricted period. The Company's deduction generally is allowable for its taxable year in which the participant's taxable year of income inclusion ends.

Stock Appreciation Rights. A participant who receives stock appreciation rights will generally recognize compensation taxable as ordinary income upon exercise of the stock appreciation rights equal to the amount of appreciation payable, whether payment is made in cash, shares of common stock, or a combination thereof. If payment is made in shares, the Company's deduction generally is allowable for its taxable year in which the stock appreciation rights are exercised. If payment is made in cash, the Company's deduction generally is allowable for its taxable year in which the participant's taxable year of income inclusion ends.

The Board of Directors recommends a vote FOR the proposed amendment.

BOARD OF DIRECTORS' COMPENSATION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors establishes policies relating to the compensation arrangements of the Chief Executive Officer and all other executive officers and oversees the administration of the Company's employee benefit plans. All decisions of the Compensation Committee relating to the compensation of the Company's executive officers are reviewed by the full Board.

Compensation Policy

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive pay and the creation of shareholder value, while at the same time motivating and retaining key employees. To achieve this goal, the Company's executive compensation policy integrates annual base compensation with incentive compensation plans based upon corporate performance and individual initiatives and performance. Measurement of corporate performance is primarily based on Company goals and industry performance levels. Accordingly, in years in which performance goals and industry levels are achieved or exceeded, executive compensation tends to be higher than in years in which performance is below expectations. Annual cash compensation, together with stock option incentives, are designed to attract and retain qualified executives and to ensure that such executives have a continuing

stake in the long-term success of the Company.

Stock options are granted from time to time to key employees, based primarily on such person's potential contribution to the Company's growth and profitability. The Compensation Committee feels that stock options are an effective incentive for managers to create value for shareholders since the value of an option bears a direct relationship to the Company's stock price. The Compensation Committee believes that linking compensation for the Chief Executive Officer and all other executive officers to corporate performance results in a better alignment of compensation with corporate goals and shareholder interest. As performance goals are met or exceeded, resulting in increased value to shareholders, executives are rewarded commensurately.

Fiscal 1999 Executive Compensation

For fiscal 1999, the Company's compensation program for the Chief Executive Officer and all other executive officers consisted of (i) base salary; (ii) bonus awards based upon the performance measurements described above; and (iii) stock option awards. During fiscal year 1999, the annual compensation of the Chief Executive Officer included base salary, which was increased from fiscal 1998 for a cost-of-living adjustment and stock option awards. In evaluating 1999 performance, the Committee considered the Company's financial performance in relation to its business plan and other corporate performance criteria and determined that no bonus would be awarded to the Chief Executive Officer and other corporate executive officers. The Committee believes that compensation levels for the Chief Executive Officer and all other executive officers and key employees during fiscal 1999 adequately reflect the Company's compensation goals and policies.

- 10. Terms and Conditions of Restricted Shares. The Committee shall have full and complete authority, subject to the limitations of the Plan, to grant Awards of Restricted Shares and to prescribe the terms and conditions (which need not be identical among Participants) in respect of the Awards. Unless the Committee otherwise specifically provides in the Award Agreement, an Award of Restricted Shares shall be subject to the following provisions:
 - (a) At the time of an Award of Restricted Shares, the Committee shall establish for each Participant a Restricted Period during which, or at the expiration of which, the Restricted Shares shall vest. Subject to paragraph (e) of this Section, the Participant shall have all the rights of a shareholder with respect to the Restricted Shares, including but not limited to, the right to receive all dividends paid on the Restricted Shares and the right to vote the Restricted Shares.  - (b) If a Participant ceases Continuous Service for any reason, including death, before the Restricted Shares have vested, a Participant's rights with respect to the unvested

portion of the Restricted Shares shall terminate and be returned to the Company.

(c) Each certificate issued in respect to Restricted Shares shall be registered in the name of the Participant and deposited by the Participant, together with a stock power endorsed in blank, with the Company and shall bear the following (or a similar) legend:

"The transferability of this certificate and the shares represented hereby are subject to the terms and conditions (including forfeiture) contained in the 1997 Stock Option and Incentive Plan of Hurco Companies, Inc., and an Award Agreement entered into between the registered owner and Hurco Companies, Inc. Copies of the Plan and Award Agreement are on file in the office of the Secretary of the Company."

- (d) At the time of an Award of Restricted Shares, the Participant shall enter into an Award Agreement with the Company in a form specified by the Committee agreeing to the terms and conditions of the Award.
- (e) At the time of an Award of Restricted Shares, the Committee may, in its discretion, determine that the payment to the Participant of dividends declared or paid on the Restricted Shares by the Company, or a specified portion thereof, shall be deferred until the earlier to occur of (i) the lapsing of the restrictions imposed with respect to the Restricted Shares, or (ii) the forfeiture of such Restricted Shares under paragraph (b) of this Section, and shall be held by the Company for the account of the Participant until such time. In the event of deferral, there shall be credited at the end of each year (or portion thereof) interest on the amount of the account at the beginning of the year at a rate per annum as the Committee, in its discretion, may determine. Payment of deferred dividends, together with accrued interest, shall be made upon the earlier to occur of the events specified in (i) and (ii) of this paragraph.
- (f) At the expiration of the restrictions imposed by this Section, the Company shall redeliver to the Participant the certificate(s) and stock power deposited with the Company pursuant to paragraph (c) of this Section and the Shares represented by the certificate(s) shall be free of all restrictions.
- $\mbox{\ensuremath{\mbox{(g)}}}$ No Award of Restricted Shares may be assigned, transferred or encumbered.
- 11. Grant of SARs. Subject to the terms and conditions of the Plan, a SAR Award may be made to Participants at any time and from time to time as shall be determined by the Committee, in its sole discretion. The Committee may grant Affiliated SARs, Freestanding SARs, Tandem SARs, or any combination thereof as follows:
 - (a) The Committee, subject to the limitations of the Plan, shall have complete discretion to determine the Exercise Price and other terms and conditions of SARs granted under the Plan. Each SAR Award shall be evidenced by an Award Agreement specifying the terms and conditions of the Award, including its term, the Base Price and the conditions of exercise.
 - (b) The Base Price of Shares with respect to a Tandem or Affiliated $\,$ SAR Award shall equal the Exercise Price of the Shares under the related Option.
 - (c) Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (i) the Tandem SAR shall expire no later than the expiration of the underlying Incentive Stock Option; (ii) the value of the payout with respect to the

Tandem SAR shall be for no more than one hundred percent (100%) of the difference between the Exercise Price of the underlying Incentive Stock Option and the Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (iii) the Tandem SAR shall be exercisable only when the Market Value of the Shares subject to the Incentive Stock Option exceeds the Exercise Price of the Incentive Stock Option.

- (d) Upon exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:
 - (i) The difference between the Market Value of a Share on the date of exercise over the Base Price; times
 - (ii) The $% \left(1\right) =\left(1\right) +\left(1\right) +\left$

At the discretion of the Committee, payment for a SAR may be in cash, Shares or a combination thereof.

12. Performance Shares. The Committee, in its sole discretion, may from time to time authorize the grant of Performance Shares upon the achievement of performance goals (which may be cumulative and/or alternative) as may be established, in writing, by the Committee based on any one or any combination of the following business criteria: (a) earnings per Share; (b) return on equity; (c) return on assets; (d) operating income; or (e) Market Value per Share. At the time as it is certified, in writing, by the Committee that the performance goals established by the Committee have been attained or otherwise satisfied within the Performance Cycle, the Committee shall authorize the payment of cash in lieu of Performance Shares or the issuance of Performance Shares registered in the name of the Participant, or a combination of cash and Shares. The grant of an Award of Performance Shares shall be evidenced by an Award Agreement containing the terms and conditions of the Award as determined by the Committee. To the extent required under Code Section 162(m), the business criteria under which performance goals are determined by the Committee shall be resubmitted to shareholders for reapproval no later than the first shareholder meeting that occurs in the fifth year following the year in which shareholders previously approved the Plan.

If the Participant ceases Continuous Service before the end of a Performance Cycle for any reason other than Retirement, Disability, or death, the Participant shall forfeit all rights with respect to any Performance Shares that were being earned during the Performance Cycle. The Committee, in its sole discretion, may establish guidelines providing that if a Participant ceases Continuous Service before the end of a Performance Cycle by reason of Retirement, Disability, or death, the Participant shall be entitled to a prorated payment with respect to any Performance Shares that were being earned during the Performance Cycle.

- 13. Adjustments Upon Changes in Capitalization. In the event of any change in the outstanding Shares subsequent to the effective date of the Plan by reason of any reorganization, recapitalization, stock split, stock dividend, combination or exchange of shares, merger, consolidation or any change in the corporate structure or Shares of the Company, the maximum aggregate number and class of shares as to which Awards may be granted under the Plan and the number and class of shares with respect to which Awards theretofore have been granted under the Plan shall be appropriately adjusted by the Committee to prevent the dilution or diminution of Awards. The Committee's determination with respect to any adjustments shall be conclusive. Any shares or other securities received, as a result of any of the foregoing, by a Participant with respect to Restricted Shares shall be subject to the same restrictions and the certificate(s) or other instruments representing or evidencing the shares or other securities shall be legended and deposited with the Company in the manner provided in Section 10 of this Agreement.
- 14. Effect of Reorganization. Unless otherwise provided by the Committee in the Award Agreement, Awards will be affected by a Reorganization as follows:
 - (a) If the Reorganization is a dissolution or liquidation of the Company then (i) the restrictions on Restricted Shares shall lapse and (ii) each outstanding Option $\left(\frac{1}{2}\right)^{2}$

or SAR Award shall terminate, but each Participant to whom the Option or SAR was granted shall have the right, immediately prior to the dissolution or liquidation to exercise the Option or SAR in full, notwithstanding the provisions of Section 9, and the Company shall notify each Participant of such right within a reasonable period of time prior to any dissolution or liquidation.

If the Reorganization is a merger (b) consolidation, other than a Change in Control subject to Section 15 of this Plan, upon the effective date of the Reorganization (i) each Participant shall be entitled, upon exercise of an Option in accordance with all of the terms and conditions of the Plan, to receive in lieu of Shares, shares or other securities or consideration as the holders of Shares shall be entitled to receive pursuant to the terms of the Reorganization; and (ii) each holder of Restricted Shares shall receive shares or other securities as the holders of Shares received which shall be subject to the restrictions set forth in Section 10 unless the Committee accelerates the lapse of such restrictions and the certificate(s) or other instruments representing or evidencing the shares or other securities shall be legended and deposited with the Company in the manner provided in Section 10 of this Plan.

 $\qquad \qquad \text{The adjustments contained in this Section and the manner of application of such provisions shall be determined solely by the Committee.}$

15. Effect of Change of Control. If the Continuous Service of any Participant of the Company or any Affiliate is involuntarily terminated, for whatever reason, at any time within twelve months after a Change in Control, unless the Committee shall have otherwise provided in the Award Agreement, (a) any Restricted Period with respect to an Award of Restricted Shares shall lapse upon the Participant's termination of Continuous Service and all Shares of Restricted Shares shall become fully vested in the Participant to whom the award was made; and (b) with respect to Performance Shares, the Participant shall be entitled to receive a prorata $% \left(1\right) =\left(1\right) +\left(1\right) =\left(1\right) +\left(1\right) +\left(1\right) =\left(1\right) +\left(1$ Participant ceases Continuous Service by reason of Retirement under Section 12 of the Plan. If a tender offer or exchange offer for Shares (other than such an offer by the Company) is commenced, or if the event specified in clause (iii) of the definition of a Change in Control contained in Section 2 shall occur, unless the Committee shall have otherwise provided in the Award Agreement, all Option and SAR Awards theretofore granted and not fully exercisable shall become exercisable in full upon the happening of such event and shall remain exercisable in accordance with their terms; provided, however, that no Option or SAR shall be exercisable by a director or officer of the Company within six months of the date of grant of the $\,$ Option or SAR and no Option or SAR which has previously been exercised or otherwise terminated shall become exercisable.

16. Assignments and Transfers. Except as otherwise expressly authorized by the Committee in the Award Agreement or any amendment thereto during the lifetime of a Participant no Award nor any right or interest of a Participant in any Award under the Plan may be assigned, encumbered or transferred otherwise than by will or the laws of descent and distribution.

17. Employee Rights Under the Plan. No officer, Employee or other person shall have a right to be selected as a Participant nor, having been so selected, to be selected again as a Participant and no officer, Employee or other person shall have any claim or right to be granted an Award under the Plan or under any other incentive or similar plan of the Company or any Affiliate. Neither the Plan nor any action taken under the Plan shall be construed as giving any Employee any right to be retained in the employ of the Company or any Affiliate.

18. Delivery and Registration of Shares. The Company's obligation to deliver Shares with respect to an Award shall, if the Committee requests, be conditioned upon the receipt of a representation as to the investment intention of the Participant to whom such Shares are to be delivered, in such form as the Committee shall determine to be necessary or advisable to comply with the provisions of the Securities Act or any other applicable federal or state securities laws. It may be provided that any representation requirement shall become inoperative upon a registration of the Shares or other action eliminating the necessity of the representation under the Securities Act or other state securities laws. The Company shall not be required to deliver any Shares under the Plan prior to (i) the admission of such Shares to listing on

any stock exchange or system on which Shares may then be listed, and (ii) the completion of any registration or other qualification of the Shares under any state or federal law, rule or regulation, as the Company shall determine to be necessary or advisable.

- 19. Withholding Tax. Prior to the delivery of any Shares or cash pursuant to an Award, the Company shall have the right and power to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy all applicable tax withholding requirements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit or require a Participant to satisfy all or part of the tax withholding obligations in connection with an Award by (a) having the Company withhold otherwise deliverable Shares, or (b) delivering to the Company Shares already owned having a Market Value equal to the amount required to be withheld. The amount of the withholding requirement shall be deemed to include any amount which the Committee determines, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined for these purposes. For these purposes, the value of the Shares to be withheld or delivered shall be equal to the Market Value as of the date that the taxes are required to be withheld.
- 20. Termination, Amendment and Modification of Plan. The Board may at any time terminate, and may at any time and from time to time and in any respect amend or modify, the Plan; provided however, that to the extent necessary and desirable to comply with Rule 16b-3 under the Exchange Act or Code section 422 (or any other applicable law or regulation, including requirements of any stock exchange or quotation system on which the Company's common stock is listed or quoted) shareholder approval of any Plan amendment shall be obtained in the manner and to the degree as is required by the applicable law or regulation; and provided further, that no termination, amendment or modification of the Plan shall in any manner affect any Award theretofore granted pursuant to the Plan without the consent of the Participant to whom the Award was granted or transferee of the Award.
- 21. Effective Date and Term of Plan. The Plan shall become effective upon its adoption by the Board of Directors, subject to ratification by the shareholders of the Company at the next annual meeting, and shall continue in effect for a term of ten years from the date of adoption by the Board of Directors unless sooner terminated under Section 20 of the Plan.
- $$\tt 22.$$ Governing Law. The Plan and Award Agreements shall be construed in accordance with and governed by the laws of the State of Indiana.
- 23. Awards to Foreign Nationals and Employees Outside the United States. To the extent the Committee deems it necessary, appropriate or desirable to comply with foreign law or practice and to further the purpose of this Plan, the Committee may, without amending this Plan, (a) establish special rules applicable to Awards granted to Participants who are foreign nationals, are employed outside the United States, or both, including rules that differ from those set forth in this Plan, and (b) grant Awards to such Participants in accordance with those rules.
