99.1 Press Release of Hurco Companies, Inc. dated January 9, 2015

#### FOR IMMEDIATE RELEASE FRIDAY, JANUARY 9, 2015 HURCO REPORTS FOURTH QUARTER AND FULL-YEAR RESULTS FOR FISCAL 2014

INDIANAPOLIS, INDIANA, — January 9, 2015, Hurco Companies, Inc. (Nasdaq, Global Select Market: HURC) today reported net income of \$4,863,000, or \$0.74 per diluted share, for its fourth fiscal quarter ended October 31, 2014, compared to \$1,899,000, or \$0.29 per diluted share, for the corresponding period in fiscal 2013. For fiscal 2014, Hurco reported net income of \$15,143,000, or \$2.30 per diluted share, compared to \$8,190,000, or \$1.25 per diluted share, for fiscal 2013.

Sales and service fees for the fourth quarter of fiscal 2014 totaled \$62,223,000, an increase of \$8,281,000, or 15%, compared to the fourth quarter of fiscal 2013. The year-over-year increase in sales and service fees for the fourth quarter included an unfavorable impact of approximately \$662,000, or 1%, when translating foreign sales to U.S. Dollars for financial reporting purposes. Sales and service fees for fiscal 2014 totaled \$222,303,000, an increase of \$29,499,000, or 15%, from fiscal 2013. The year-over-year increase in sales and service fees for fiscal 2014 benefitted from a favorable currency impact of approximately \$3,294,000, or 2%, when translating foreign sales to U.S. Dollars for financial reporting purposes.

The following table sets forth sales and service fees by geographic region for the quarter and fiscal year ended October 31, 2014 and 2013 (in thousands):

		Quarter Octob		d				Fiscal Ye Octob			
				\$	%					\$	%
	2014	2013	C	hange	Change		2014	2013	(	Change	Change
North America	\$ 19,919	\$ 16,697	\$	3,222	1	9% \$	62,142	\$ 60,759	\$	1,383	2%
Europe	37,303	32,316		4,987	1	5%	138,201	114,855		23,346	20%
Asia Pacific	5,001	4,929		72		1%	21,960	17,190		4,770	28%
Total	\$ 62,223	\$ 53,942	\$	8,281		5% \$	222,303	\$ 192,804	\$	29,499	15%

Sales and service fees increased in all regions during the fourth quarter of fiscal 2014. The overall improvement in sales for those regions was driven by increased shipments and a favorable mix of higher-performance machines. During the first three quarters of fiscal 2014, sales in North America experienced some market softening in comparison to the same periods in fiscal 2013. However, following the International Manufacturing Technology Show in September 2014, sales of our machine tools in North America increased due to year-end promotional activities, resulting in a year-over-year increase in the fourth quarter of fiscal 2014 of approximately 19% compared to the same period in fiscal 2013.

Sales and service fees in Europe during the fourth quarter of fiscal 2014 increased by 15%, compared to the corresponding prior year period. European sales and service fees for the fourth quarter and fiscal 2014 included \$1,307,000 and \$7,726,000, respectively, of sales from electro-mechanical components and accessories manufactured by Hurco's Italian-based subsidiary, LCM Precision Technologies (LCM), compared to \$1,923,000 and \$2,446,000, respectively for each of those periods in fiscal 2013. Hurco acquired the LCM machine tool component business on July 1, 2013.

Orders for the fourth quarter of fiscal 2014 were \$65,302,000, an increase of \$13,444,000, or 26%, over the corresponding period in fiscal 2013. European orders for the fourth quarter of fiscal 2014 included \$2,601,000 of LCM products compared to \$1,951,000 in the fourth quarter of fiscal 2013. Orders for fiscal 2014 were \$232,454,000, an increase of \$34,589,000, or 17%, over fiscal 2013, and included \$9,886,000 of orders for LCM products compared to \$5,719,000 for fiscal 2013. North American orders for the fourth quarter and fiscal 2014 increased compared to the corresponding periods in fiscal 2013, primarily due to promotional activities related to the International Manufacturing Technology Show held in September 2014. European orders for the fourth quarter and fiscal 2014 increased orders in Germany and the United Kingdom. The year-over-year improvement in Asian Pacific orders for the fourth quarter and fiscal 2014 included the benefit of multiple machine orders and a favorable mix of higher-performance machines. The impact of currency translation on orders booked in the fourth quarter and fiscal 2014 was consistent with the impact on sales in those periods.

The following table sets forth new orders booked by geographic region for the fourth quarter and fiscal 2014 and 2013, respectively (in thousands):

		Quarter Octob						Fiscal Ye Octob		
				\$	%				\$	%
	2014	2013	(	Change	Change		2014	2013	Change	Change
North America	\$ 23,339	\$ 17,722	\$	5,617	32	% \$	63,379	\$ 59,798	\$ 3,581	6%
Europe	37,797	30,630		7,167	23	%	148,495	120,349	28,146	23%
Asia Pacific	4,166	3,506		660	19	%	20,580	17,718	2,862	16%
Total	\$ 65,302	\$ 51,858	\$	13,444	26	% \$	232,454	\$ 197,865	\$ 34,589	17%

Hurco's gross profit for the fourth quarter of fiscal 2014 was \$20,052,000, or 32% of sales, compared to \$15,142,000, or 28% of sales, for the corresponding period in fiscal 2013. Gross profit for fiscal 2014 was \$68,612,000, or 31% of sales, compared to \$55,056,000, or 29% of sales, for fiscal 2013. The increases in gross profit were attributable to higher sales volumes, particularly in Europe, the primary market for higher-performance machines, and increased cost efficiencies realized from higher production levels.

Selling, general and administrative expenses for the fourth quarter of fiscal 2014 were \$12,940,000, or 21% of sales, compared to \$11,802,000, or 22% of sales, in the corresponding period in fiscal 2013. Selling, general and administrative expenses for fiscal 2014 were \$46,615,000, or 21% of sales, compared to \$41,413,000, or 21% of sales, for fiscal 2013. The year-over-year increases in selling, general and administrative expenses in both periods were primarily due to incremental operating expenses associated with the acquisition of the LCM business, increased tradeshow expenses, and increased incentive compensation for employees.

The effective tax rate for the fourth quarter of fiscal 2014 was 30%, compared to 39% for the fourth quarter of fiscal 2013. The effective tax rate for fiscal 2014 was 29%, compared to 34% for fiscal 2013. The changes in effective tax rates in the year-over-year comparisons reflected a shift in geographic mix of income and loss among tax jurisdictions.

Cash and cash equivalents totaled \$53,846,000 at October 31, 2014, compared to \$42,804,000 at October 31, 2013.

Michael Doar, Chief Executive Officer, stated, "I am excited about the performance of our company this year as all sales regions have shown improvement and contributed to one of the best financial years in the company's history. The growth we have seen in Europe and Asia is attributable to improved market conditions and increased sales of our expanded product line of VMX machines. North America had a strong finish, due in part to the vitality of our brand and reputation as exhibited at the International Manufacturing Technology Show in September where our customers confirmed that our ability to make them more productive and more profitable with our control technologies is what sets us apart from the competition."

Hurco Companies, Inc. is an industrial technology company that designs and produces interactive computer controls, software and computerized machine tools and machine tool components for the worldwide metal cutting and metal forming industry. The end market for the Company's products consists primarily of independent job shops and short-run manufacturing operations within large corporations in industries such as aerospace, defense, medical equipment, energy, transportation and computer equipment. The Company is based in Indianapolis, Indiana, with manufacturing operations in Taiwan, Italy, and China, and sells its products through direct and indirect sales forces throughout North America, Europe, and Asia. The Company has sales, application engineering support and service subsidiaries in China, England, France, Germany, India, Italy, Poland, Singapore, South Africa and the United States of America.
